

Certificate of Analysis

Product : Sodium Bicarbonate
Batch No. : MD/0624003
MFG Date : June 2024
Expiry date : May 2026

Parameter	Specification	Results
Physical State	White crystalline Powder free from dirt and other foreign matter	As per specification
Total Alkalinity (as NaHCO ₃)	99% Minimum	99.20%
pH	8-10	8.80
Solubility of the Material in Distilled Water at 24±2 Deg C	Soluble	Soluble

Remarks: The above product complies with specifications.
